Cutting Instructions

From the dark prints:

- Cut a 5 7/8" square. Cut it in half once on the diagonal.
- Cut a 3 3/8" square for a half-square triangle.

From the light prints:

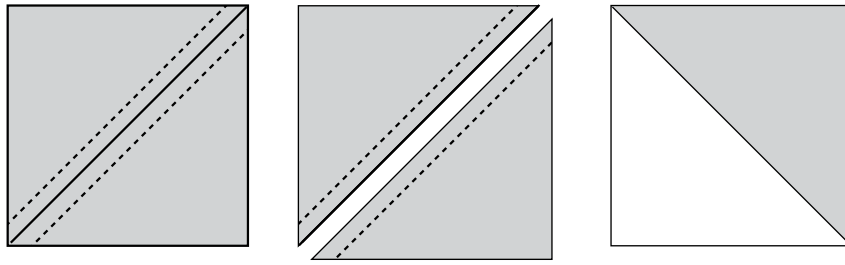

- Cut a 5 7/8" square. Cut it in half once on the diagonal.
- Cut a 3 3/8" square for a half-square triangle.
- Cut a 3 - 3" squares.

From the red print:

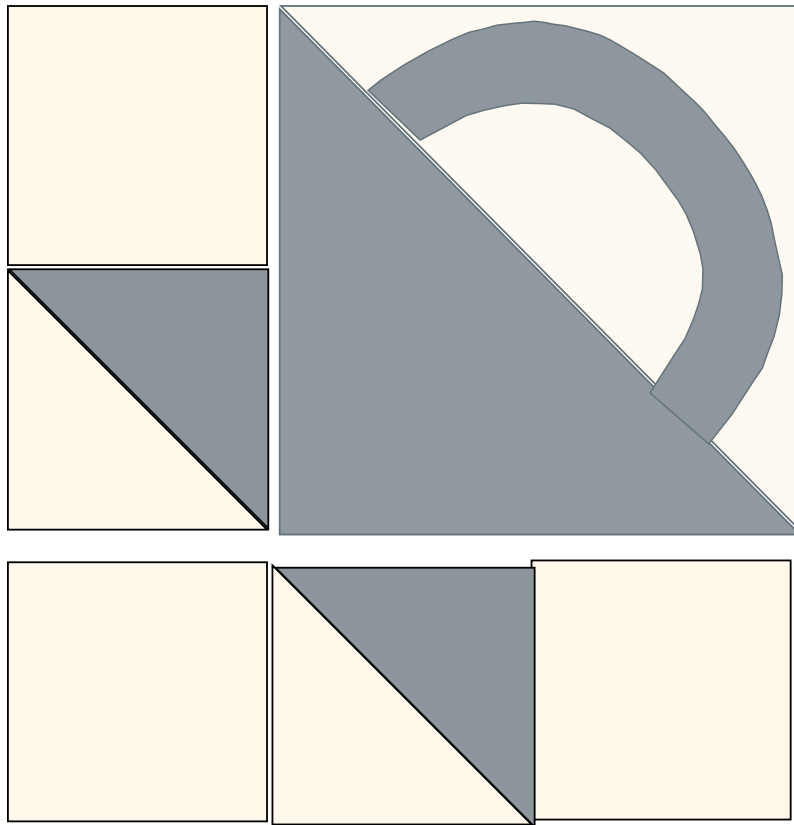

- Cut out 24 - 7 1/2" squares for the alternating blocks.

Sewing Instructions

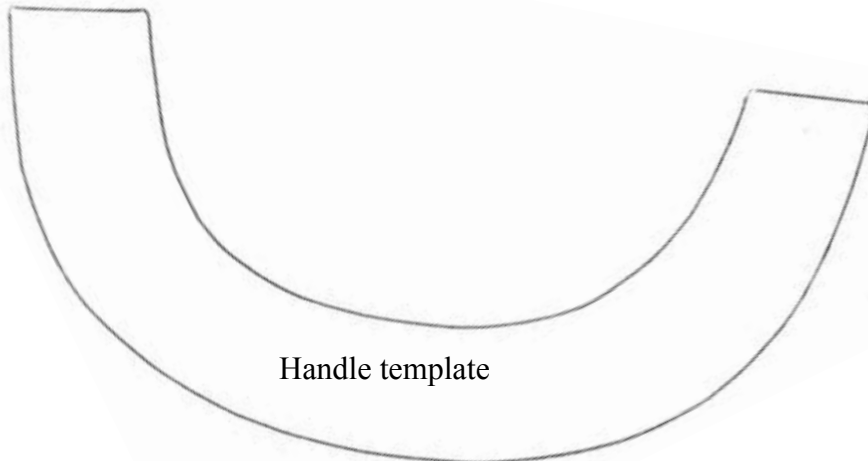

- Cut out the basket handle, adding a 1/8" - 1/4" seam allowance. Refer to the piecing diagram and baste the piece in place onto the large light triangle. Appliqué the basket handle onto the large light triangle.
- Place one light and one dark 3 3/8" squares right sides together. Draw a line along the diagonal, dividing the square in half. Refer to the diagram on the next page and sew a 1/4" seam allowance away from the drawn line. Repeat for the remaining side. Cut the pieces apart on the drawn line. The result will be two half-square triangle units. Press each block open.
- Refer to the piecing diagram and sew the block together.
- Make 25 basket blocks.
- Refer to the picture of the quilt on the blog and sew the blocks together.
